TO: Bentel Security Distributors

Ref: 000213

Subject: BMD501 & 504 Detectors EN 50131 Compliant

Dear Valued Distributor,

We would like to announce that **BMD501** (Digital PIR) & **BMD504** (Dual Tech Motion) Detectors have received the approval of **Grade 2 of European EN50131 Certification**.

In particular, the approvals involved are:

EN 50131-2-4 PIR Detectors

EN 50131-2-4 Dual Technology Detectors

EN50131 are a series of European standards developed to guarantee high and consistent level of performance for electronic intrusion products.

We are proud of this additional certification which demonstrates that Bentel Security is a brand with a proven reliable and quality products.

We remain at your disposal for any other clarification.

Kind regards,

Paolo Concetti

Senior Product Manager
